

Speakers Bureau Survey

Plans are under way to create a Speakers Bureau using the talents within the membership of Women's Network. We would like to gauge your interest in being part of such a resource (speaking to groups internally and externally) and give you the opportunity to suggest other topics of interest, as well as Women's Network experts on those topics. More information will be forthcoming as plans are made. Thank you!

I would be willing to speak on this topic. (Please note all that apply by checking the line next to the topic.)
